CRITICAL INFRASTRUCTURE PROTECTION AND ENERGY RESOURCES

Who is GovWorks?

GovWorks is an organization of procurement professionals that can handle your acquisitions from start to finish. And we get it done on your schedule, not ours.

Our federal acquisition experts use established IDIQ contracts, like CIPER, and innovative, creative thinking to offer you unique solutions, custom tailored to fit your needs. All you have to do is provide us with the necessary information and your expectation date. We'll manage all the details to make it happen.

We can work on our own, or in collaboration with your in-house procurement office. Either way, you'll definitely find us to be a valuable resource.

Who is Goldbelt Eagle?

Subsidiary of Goldbelt, Incorporated

Goldbelt Eagle, LLC is an 8(a) certified subsidiary of Goldbelt, Incorporated ("Goldbelt") with offices located in Juneau, Alaska and Washington, DC. Goldbelt is an Alaska Native Urban Corporation Alaska established under the 1971 Alaska Native Claims Settlement Act (ANCSA) approved by the US Congress. Goldbelt has over 3,000 Alaska native shareholders who benefit from economic/business development initiatives carried out by Goldbelt and its subsidiary businesses.

SPECIAL RIGHTS

8(a) businesses owned and operated by Alaska Native Corporations are afforded special rights under the SBA's 8(a) Program in regard to federal contracting. Because ANC 8(a) firms benefit thousands of shareholders, the FAR allows these 8(a) entities to be awarded sole-source contracts regardless of dollar amount 13 C.F.R. 124.311(b)506(b). The ANC 8(a) contract is non-protestable as detailed under 13 C.F.R. 124.517(a).
